

# BASSAM AHMED

(647) 877-6906 | b.ahmed9565@gmail.com

Mississauga, ON

Second-year Commerce student at the University of Guelph concentrating in Management, Economics, and Finance. Applied coursework in financial accounting, statistics, and Excel-based analysis directly to a small-business operations role — building revenue trackers, reconciling invoices, and forecasting weekly volume. Seeking a summer FP&A internship to extend that work into revenue forecasting, budgeting, and variance analysis at scale.

## EDUCATION

### Bachelor of Commerce (B.Comm)

Sept 2024 – Apr 2028

University of Guelph — Guelph, ON

**Concentration:** Management, Economics & Finance

**Key Coursework:** Financial Accounting, Management Accounting, Microeconomics, Macroeconomics, Marketing, Business Analysis, Statistics

### High School Diploma

Sept 2020 – June 2024

St. Joan of Arc Catholic Secondary School — Mississauga, ON

## PROFESSIONAL EXPERIENCE

### Office Administrator

May 2025 – Sept 2025

CarWash and Co — Ottawa, ON

- Built and maintained a multi-tab Excel and Google Sheets revenue tracker covering daily, weekly, and month-to-date sales across wash packages, detail services, and add-ons; used pivot tables, SUMIFS, and VLOOKUP to roll performance into a one-page weekly summary reviewed by ownership
- Reconciled point-of-sale transactions against booked appointments and supplier invoices, flagging discrepancies (voided tickets, unbilled add-ons, double charges) and helping reduce recurring leakage on the upsell line
- Built a rolling actual-versus-projected variance view comparing each week's revenue to a 4-week baseline and to the same week prior month, then walked ownership through the drivers — weather, promotions, staffing mix, day-of-week patterns — to inform pricing and scheduling decisions
- Drafted weekend and end-of-month volume forecasts using historical appointment data, applying moving averages and weekday seasonality methods from Statistics coursework to anticipate staffing and inventory needs
- Ran first-line client intake across phone, email, and walk-ins — handling scheduling, complaint resolution, and follow-ups — protecting ownership's time while sustaining a repeat-visit retention rate above the shop's prior baseline

### Brand Ambassador

June 2024 – Aug 2024

Prime Marketing Agency — Mississauga, ON

- Represented consumer brands at high-traffic promotional events across the GTA, hitting daily sample-distribution targets and brand-recognition objectives during peak summer programming
- Captured consumer feedback in real time across diverse audiences, logging product preferences, demographic patterns, and competitive comparisons into shift-end reports delivered to the marketing team
- Built deep product expertise — ingredient profiles, comparative pricing, sourcing, dietary suitability — to field technical and comparative questions independently without escalating to a supervisor
- Coordinated with team leads on booth setup, sample-inventory tracking, and event logistics across multiple weekend activations, helping the agency hit campaign attendance and sample-volume goals

### Team Lead (Volunteer)

Aug 2022

Clarkson Community Church — Mississauga, ON

- Led a volunteer team in planning and executing community events, managing logistics, task delegation, and day-of coordination across setup, run-of-show, and teardown

- Coordinated supplies, equipment, and refreshments inventory across multi-day events, maintaining accurate counts and preventing last-minute shortages
- Conducted facility inspections and enforced health and safety standards, escalating maintenance and repair items to church staff
- Served as the point of contact between volunteers, attendees, and clergy, fielding questions and reassigning tasks as event needs shifted

## SKILLS & CERTIFICATIONS

---

**Technical:** Microsoft Excel (Pivot Tables, VLOOKUP, SUMIFS, Formulas, Charts) | Financial Modeling (Coursework) | Variance Analysis | Forecasting (Moving Averages, Seasonality) | Google Sheets & Workspace | Microsoft Office Suite | Data Visualization | Invoicing & Reconciliation
