

BASSAM AHMED

(647) 877-6906 | b.ahmed9565@gmail.com

Mississauga, ON

Second-year Commerce student at the University of Guelph with a concentration in Management, Economics, and Finance. Hands-on experience in office administration, client relations, and brand marketing. Comfortable with invoicing, scheduling, and working alongside management on pricing and operational decisions. Seeking a co-op or internship to build on academic and professional foundations.

EDUCATION

Bachelor of Commerce (B.Comm) Sept 2024 – Apr 2028

University of Guelph — Guelph, ON

Concentration: Management, Economics & Finance

Key Coursework: Financial Accounting, Management Accounting, Microeconomics, Macroeconomics, Marketing, Business Analysis, Statistics

High School Diploma Sept 2020 – June 2024

St. Joan of Arc Catholic Secondary School — Mississauga, ON

PROFESSIONAL EXPERIENCE

Office Administrator May 2025 – Sept 2025

CarWash and Co — Ottawa, ON

- Managed end-to-end daily operations for a multi-staff service business, including appointment scheduling, invoicing, and client communications
- Served as the primary client contact, handling intake through resolution and contributing to a consistently high retention rate
- Partnered with ownership on pricing strategy, promotional campaigns, and service-line adjustments, translating market observations into actionable business decisions
- Maintained compliance with safety and organizational standards across the facility

Brand Ambassador June 2024 – Aug 2024

Prime Marketing Agency — Mississauga, ON

- Represented consumer brands at high-traffic promotional events, driving product awareness through direct engagement with diverse audiences
- Synthesized real-time consumer feedback into structured insights delivered to the marketing team, influencing product positioning strategy
- Built deep product expertise to field technical and comparative questions independently

Team Lead (Volunteer) Aug 2022

Clarkson Community Church — Mississauga, ON

- Led a team in planning and executing community events, managing logistics, task delegation, and day-of coordination
- Conducted facility inspections and enforced health and safety standards
