

Husam Ahmed

(647) 685-6908 | husamdaifalla01@gmail.com | Ottawa, ON | Active Reliability Status

PROFESSIONAL SUMMARY

Compliance and operations professional working at the intersection FINTRAC supervises from above: three years executing KYC obligations on a regulated front line at Rogers, and current federal casework at IRCC applying IRPA and the Privacy Act to information-sharing and breach handling at a national intake. Concurrently author SOPs, compliance checklists, and a regulatory change log in a quality-systems research role. Active Reliability Status.

CORE COMPETENCIES

- KYC and Client Due Diligence
- Regulatory Compliance
- Case Analysis and Triage
- Compliance Documentation and SOPs
- Breach Handling
- Regulatory Change Tracking
- Excel Pivot Analysis
- Power BI Reporting

WORK EXPERIENCE

Immigration, Refugees and Citizenship Canada, Operations Support Centre

Aug 2024 to Present

Program Assistant / Acting Case Processing Agent (CR-04, acting PM-01) / Ottawa, ON (Held concurrently with the Stelis role below.)

- Apply the Immigration and Refugee Protection Act (IRPA) and controlled information-sharing protocols when handling flagged breaches, determining what client information can be shared, with whom, and under what authority.
- Triage the central Data Integrity unit's national intake of status checks and household identity-correction requests (PPMI and IMM applicants), prioritizing against case urgency and team capacity.
- Run pivot analyses in Excel and reporting queries in GCMS across large case datasets to confirm application statuses, surface anomalies, and flag potential information-sharing breaches for controlled handling.
- Resolve probabilistic identity matches in IRCC's Global Case Management System (GCMS) by cross-referencing biographic, biometric, and travel-document evidence, then commit master-record corrections (UCI merges, biometric associations and disassociations, profile relinking) to restore case integrity.

Stelis Environmental Solutions

Nov 2023 to Present

Water Quality Researcher, Quality Systems / Ottawa, ON (Concurrent with the IRCC role above.)

- Author and maintain the team's consolidated SOP and compliance checklist on federal and provincial drinking-water rules (Health Canada GCDWQ, Ontario O. Reg. 169/03 and 170/03); track regulatory changes in a running change log and flag compliance risks to project leads.
- Write the briefing notes and comparison tables that go to senior management, laying out speed, verification, documentation, and regulatory-acceptance tradeoffs between real-time and lab-based monitoring.
- Compare real-time ColiMinder readings against culture-based lab results in Excel pivot tables, calculating percent agreement and false-positive rates across pilot sites to quantify how closely the real-time method tracks the lab benchmark.

Rogers Communications

May 2021 to Aug 2024

Manager on Duty / Sales Advisor / Ottawa, ON

- Acted as on-floor compliance authority for credit, KYC, and privacy decisions as Manager on Duty, reviewing customer documentation and credit-check results and approving transactions only when every regulatory and internal-policy step was met.
- Onboarded and trained new hires on KYC procedures, privacy requirements, and documentation standards, maintaining consistent compliance across shifts; led a team of three over three years.

EDUCATION

Bachelor of Science, Biology / University of Ottawa

Dec 2024

Quantitative analysis of laboratory datasets in Excel; structured data collection and protocol adherence in microbiology coursework.

CERTIFICATIONS

Google Data Analytics Professional Certificate / Coursera In progress

SKILLS

Languages: English (native), Arabic (native), French (working knowledge)

Tools: GCMS, Excel (pivot tables, lookups), Power BI, SharePoint, Microsoft Teams

Status: Active Reliability Status (Government of Canada); no sponsorship required
