

Husam Ahmed

(647) 685-6908 | husamdaifalla01@gmail.com | Ottawa, ON | Active Reliability Status

PROFESSIONAL SUMMARY

Federal operations professional who makes controlled disclosure decisions under the Privacy Act and IRPA every working day: what client information can be shared, with whom, under what authority. Current work at IRCC's Operations Support Centre spans breach handling, records corrections on national identity data, and case triage at a national intake, with every decision documented and defensible. Active Reliability Status.

CORE COMPETENCIES

Privacy Act Application

Controlled Disclosure Decisions

Breach Handling

Records Management

Case Triage and Tracking

Audit-Ready Documentation

SOP Development

Excel Analysis

WORK EXPERIENCE

Immigration, Refugees and Citizenship Canada, Operations Support Centre

Aug 2024 to Present

Program Assistant / Acting Case Processing Agent (CR-04, acting PM-01) / Ottawa, ON (Held concurrently with the Stelis role below.)

- Apply the Immigration and Refugee Protection Act (IRPA) and controlled information-sharing protocols when handling flagged breaches, determining what client information can be shared, with whom, and under what authority.
- Confirm citizenship status by reviewing naturalization records, certificate issuance, and grant or revocation history, returning verified status with supporting documentation cited for downstream officers and partner programs.
- Triage the central Data Integrity unit's national intake of status checks and household identity-correction requests (PPMI and IMM applicants), prioritizing against case urgency and team capacity.
- Resolve probabilistic identity matches in IRCC's Global Case Management System (GCMS) by cross-referencing biographic, biometric, and travel-document evidence, then commit master-record corrections (UCI merges, biometric associations and disassociations, profile relinking) to restore case integrity.

Stelis Environmental Solutions

Nov 2023 to Present

Water Quality Researcher, Quality Systems / Ottawa, ON (Concurrent with the IRCC role above.)

- Author and maintain the team's consolidated SOP and compliance checklist on federal and provincial drinking-water rules (Health Canada GCDWQ, Ontario O. Reg. 169/03 and 170/03); track regulatory changes in a running change log and flag compliance risks to project leads.
- Write the briefing notes and comparison tables that go to senior management, laying out speed, verification, documentation, and regulatory-acceptance tradeoffs between real-time and lab-based monitoring.

Rogers Communications

May 2021 to Aug 2024

Manager on Duty / Sales Advisor / Ottawa, ON

- Acted as on-floor compliance authority for credit, KYC, and privacy decisions as Manager on Duty, reviewing customer documentation and credit-check results and approving transactions only when every regulatory and internal-policy step was met.
- Onboarded and trained new hires on KYC procedures, privacy requirements, and documentation standards, maintaining consistent compliance across shifts; led a team of three over three years.

EDUCATION

Bachelor of Science, Biology / University of Ottawa

Dec 2024

Quantitative analysis of laboratory datasets in Excel; structured data collection and protocol adherence in microbiology coursework.

CERTIFICATIONS

Google Data Analytics Professional Certificate / Coursera In progress
